TITLE: Albertine

Duration: 3 hours

Description: A lovely project, not too big and not too small. Wonderful if you want to try needle turn applique or if you are an expert at it. I will show you how to prepare your piece for applique, and in the class, you will sew down one of the heart, bias, leaves and hopefully one of the flower.

Kit (to pay to the artist at the beginning of the session): 40€

The kit contains 1.5 mt of background fabric, fabric for the hearts and stems, a selection of fabrics for some of the flowers. The idea for this quilt is for you to use some of your treasured fabrics.... Pattern for completing the project, a sheet of Mylar template and a small bottle of Roxane glue.

For this lesson, the students must bring: sewing needles, threads and sharp scissors for fabric and scissors to cut the plastic template.
